## Special Ride this Fall for Jeff Knowles

When planning your next vacation, load up your 4-wheelers and UTV's and come join us for a great riding experience. You will access trails right from your camp site and down the city streets. Utah is the friendliest ATV State in the country! We want you to join in and ride with us. I thought North Idaho had some of the greatest trails until we discovered Utah. If you like the trails around Wallace, then multiple it by 100. Like to fish? Pack your fishing gear and get ready to fish off of the trails.

There are many small towns along the way to gas up and get some great food.

When making your reservations, tell them you heard about it fro Jeff and Jeanne and I will make sure you get a great deal on your stay. Let me

know when you are heading our way and I will plan a great outing to make sure you see some spectacular sights.

Lizzie and Charlie's RV/ATV Park is located in the heart of Paiute Trail in Marysville, found in South Central Utah. The Paiute Trail is a 238 mile loop over 3 mountain ranges offering over 800 miles of intersecting trails, travel through many small towns, offering food, accommodations, gas and enjoyment for those who want to experience a great trail riding vacation.

Lizzie and Charlie's RV/ ATV Park is located approximately 890 from you in North Idaho, a

quick 15 hour trip down Interstate 15. We have over 100 RV spaces, 10 cabins and 2 or 3 bedroom cottages available along with many tent sites. So, next summer, get the gang together and make the trip down here, you will not be disappointed. As Earl always said "Let's Ride".
